FEDERATION
ALUMINIUM CAST PANELS

ALSPEC Design

Designed to suit all standard screen framing, the new ALSPEC Aluminium Cast Panels offer a vast range of styles, patterns and colours.

Australian owned, ALSPEC is today operated via a network of some 400 staff across eight locations which span Australia wide.

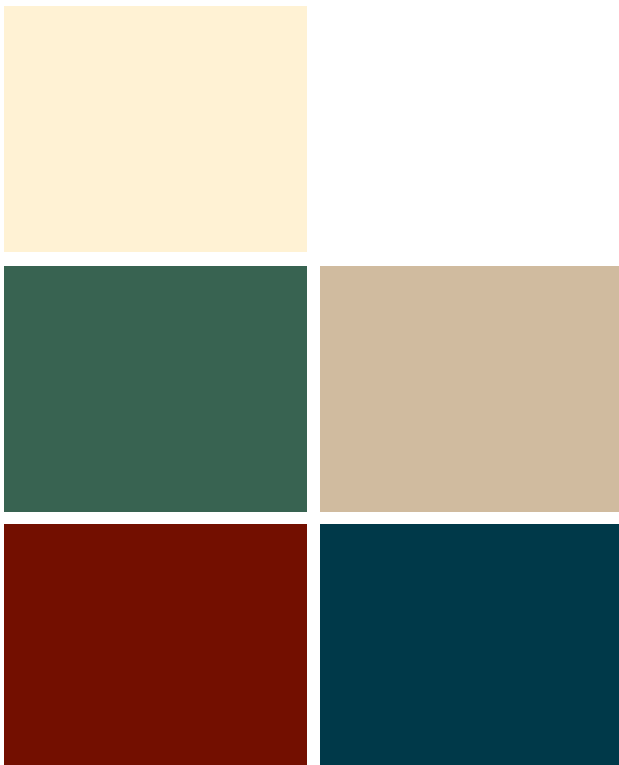

Our range of fully tested products, together with our professional and personal service will ensure that your expectations of quality and reliability are met on every occasion.

Designed to suit a wide variety of door and window frames, the ALSPEC Cast Panel range offers a large selection of both traditional and contemporary designs in an extensive range of colour finishes that will match any specification.

Manufactured from recyclable Aluminium, the ALSPEC Cast Panels are a durable, non-rusting, secure means of finishing off the look to your safety door or window screen. ALSPEC Cast Panels are available in a full range of polyester powder-coated finishes and comes with a 2 year powder coat warranty.

There is no doubting the popularity of Cast Panels in federation style houses and with the most positive attribute to a federation house being its aesthetic values; Cast Panels can only enhance the appeal of your home.

With a history of great service and quality products, when considering Aluminium Cast Panels there's only one place that has all your solutions - ALSPEC
